## drama projects

There is a growing interest in local churches to use drama in the church's program and in the program of Christian education. The great need is for trained leaders. The following projects will afford opportunities for training.

for ministers, directors of Christian education, college teachers in the field of drama, local church workers and older youth.

Consultation on "Next Steps in Religious Drama"  
School of Fine and Applied Arts, Boston University  
July 3-6

*For further information write to Harold Ehrensparger,

for mature college students and older youth who can accept in love many kinds of persons and experiences . . . the more skilled they are in the arts the better.

Europe 1959 • Russia 1960 • The East 1961

*Write the Joe Brown Loves, 473 Miller Ave., Kent, Ohio*

Contributions may be made to the latter project through the Bob Bollinger Memorial Fund. Direct any contributions to the Loves. Even a dollar will help some worthy young person to participate in this project.
